

outlasts & outperforms

Effortless Beauty

- ✓ Exterior or Interior
- ✓ Spill & Stain Resistant
- ✓ Moss Resistant
- ✓ Abrasion Resistant
- ✓ Water Repellent
- ✓ Weather Resistant
- ✓ Mold & Mildew Resistant
- ✓ No-Stripping

Non-toxic surface protection for costly polished stone investments. Protects a wide range of polished stone assets, from historic monuments, walls, columns and facades to beautiful contemporary stone countertops and flooring. Rinses clean to drastically reduce cleaning time. Non-toxic, durable surface ideal for food preparation and dining surfaces, too. Allows the beauty of polished stone shine through without adding significant weight load to delicate structures. Superior coverage over any surface profile.

IONYX
