

outlasts & outperforms

Invisible Armor

- ✓ Water Repellent
- ✓ Vapor Permeable
- ✓ Breathable
- ✓ Stain Resistant
- ✓ Odor Resistant
- ✓ Mold & Mildew Resistant
- ✓ UV Resistant
- ✓ Oil & Ink Resistant

Seals Fibers Tight. No Toxic Outgassing.

Unlike other stain repellent and treatments, water-based Textile Seal & coat does not emit toxic chemicals. Effectively repels liquids (like mud and pet stains), ink, oil, dirt, mud, food and beverage spills to prevent staining while protecting fibers from UV damage and fading. Breathable, washable and durable. Works on pre- and post-manufactured articles. Dries clear. Won't add sheen. Easy application. Heat activate via consumer clothes dryer or industrial heating apparatus. No loss of original flexibility or breathability.
