**Better for health, safety and budgets.** Lonyx Vinyl Coat keeps vinyl and laminate flooring in pristine condition, better and far longer than factory coatings. Defends against stains, scuffs, scratches, spills, dirt, mildew, and more. Uniform UV protection prevents vinyl degradation and phthalate dust formation. Vinyl Coat keeps lets you clean without harsh chemical cleaners or residue-bearing films, to eliminate no chemical toxins on flooring surface to harm pets or children. Saves on water, easy to maintain by dusting or damp mop.
